

NDWIGA PATRICK MURANI

SOFTWARE ENGINEER | GRAPHIC DESIGNER

+254795556007 | +254762045869 | patrickmurani@gmail.com | [Portfolio](#) | [LinkedIn](#)

PROFESSIONAL SUMMARY

Detailed-oriented Software Engineer with expertise in full-stack development, combining technical precision with creative design thinking. Proficient in TypeScript, Next.js, React, Node.js, and PostgreSQL, with a strong foundation in UI/UX and graphic design. Passionate about building intuitive, visually engaging, and high-performing web applications that deliver seamless user experiences. Seeking to contribute to a dynamic team by developing innovative, scalable, and user-centric digital solutions.

WORK EXPERIENCE

Hillgan Innovations | Software Engineer

March 2025 – June 2025

- Built and refined front-end interfaces for **KaziDesk**, **KaziPOS**, **KaziAfya**, and **HealJunction**, applying modern **UI/UX principles** to ensure responsive and engaging user experiences.

AWS Student Community Day Kenya | Graphic Designer

May 2024 – September 2024

- Designed visual assets and event materials for **AWS Students Community Day Kenya**, ensuring consistent branding and engaging presentation.

Google Developer Groups UEAB | UI/UX Lead

September 2023 – August 2024

- Helped establish the **Google Developer Groups chapter** at UEAB and served as its first **UI/UX Lead**, organizing workshops and design-focused events on campus.
- Mentored students in **UI/UX and graphic design**, fostering creativity and practical design application through collaborative sessions.

Hillgan Innovations | Attaché

May 2024 – July 2024

- Contributed to front-end development of the **Hillgan Bulk SMS System** and **KaziDesk HR Management System**, applying **UI/UX principles** to deliver clean, responsive, and user-friendly interfaces.

University of Eastern Africa, Baraton | Full Stack Developer

2023 – 2024

- Developed the **UEAB Research Grants** website to streamline research project management and visibility.
- Built the **UEAB Innovation** website to showcase student and faculty innovations through an intuitive, user-centered interface.

UEAB Crested Crane (Yearbook Office) | Graphic Designer & Photographer

September 2022 – April 2024

- Captured and curated visual stories from campus events to highlight the university's culture and community.
- Co-designed and produced the **UEAB Yearbook**, blending photography and graphic design to create visually cohesive layouts and memorable narratives.

UEAB Journalism Club | Graphic Designer

January 2024 – February 2024

- Designed the inaugural and second editions of **The Baratonian Newsletter**, shaping its visual identity through engaging layout and creative direction.
